1. Director's Message

Smt. Kusum Dubey, Director

Dear Students and Parents,

Success in one's career is the most rewarding achievement a student can experience. At Vidwaan Classes, we don't just teach; we promise to help you achieve your professional goals.

We are immensely proud of our students, who are the true pillars of our success, not only clearing the toughest exams but often achieving top ranks. Today's students are enlightened and focused; they know what they are up to. They need just a ray of guidance—a light to show them the path.

I feel a profound sense of accomplishment in being that faint ray of guidance, and proud to be a reason for a smile on certain lips. We stand for trust, quality, and fulfilled promises. Join us, and let us shape your potential into reality.

2. About Vidwaan Classes

Vidwaan Classes is an **independent entity**, established in 2019 with a vision to provide quality, result-oriented education. From a modest beginning with our first branch in Gomtinagar, we have rapidly become one of the largest and fastest-growing coaching centers in India, specifically focused on engineering (IIT JEE) and medical (NEET) examinations.

Our Vision & Philosophy: Our core team of passionate entrepreneurs came together with a razor-sharp focus: to address the challenges of national competitive examinations by providing quality education and guiding students towards suitable opportunities. At Vidwaan Classes, we enable individuals to realize their potential and achieve their dreams.

Our Presence: Since 2019, we have served thousands of students across the country through our robust Classroom and E-Learning programs. Today, Vidwaan Classes proudly operates three state-of-the-art branches located across **Lucknow**.

3. Our Comprehensive Courses

Vidwaan Classes caters to students from **Class 1st right up to Class 12th** and offers specialized programs tailored for every academic need:

Course Category	Target Exams	Program Focus
IIT JEE (Mains & Advanced)	India's premier engineering entrance exams (JEE).	Comprehensive coaching designed for conceptual clarity and intensive problem-solving skills.
NEET	National Eligibility cum Entrance Test (Medical).	Specialized programs led by experienced faculty to secure top ranks for medical aspirants.
Nurture & Board Program (Class 1st to 10th)	School Boards, Conceptual Clarity, NTSE, Olympiads.	Comprehensive program for holistic development and building strong fundamentals for future competitive exams.
Nurture & Board Program (Class 11th & 12th)	School Boards (All), Academic Excellence.	Focused curriculum designed for conceptual mastery and achieving exceptional scores in board examinations.
Crash Courses & Test Series	Final preparation, revision, and performance testing.	Intensive, structured revision modules and simulated mock tests for last-minute preparation and confidence building.

4. State-of-the-Art Facilities and Learning Environment

Our commitment is to foster academic excellence and holistic development through a supportive and advanced educational experience.

- **Expert Faculty:** Our teaching panel includes seasoned educators with exceptional academic credentials. Our leadership includes experts like **Prabhakar Dubey (B.Tech, M.Tech, Ph.D.)** who brings over **25 years of enriching teaching experience**. Our entire faculty is chosen for their depth of knowledge and dedication to student success.
- **Optimal Batch Size:** To ensure personalized attention and effective doubt resolution, class sizes are strictly limited to a **maximum of 25 students per classroom**.
- **Comprehensive Study Material:** Well-researched, comprehensive, and regularly updated study resources developed by subject matter experts.
- **Proprietary Digital Learning Platform:** Our modern e-learning tools and smart classes offer an interactive environment, supported by a dedicated portal for students and parents. Key features include:
 - **Performance Tracking:** Real-time access to student marks and attendance records.
 - **Exclusive Resources:** Viewing of exclusive notes prepared by our expert faculty, including Daily Practice Problems (DPP) and chapter-wise study notes.
 - **Online Mock Tests:** Facility to take simulated mock tests directly on the portal.
- **Vidwaan Book Series:** In alignment with our focus on strong foundations for JEE/NEET, we have developed our own comprehensive and detailed book series, meticulously designed for in-depth study and conceptual mastery.
- **Logistics & Security:**
 - **AC Classrooms:** Comfortable, air-conditioned learning spaces.
 - **CCTV Camera Security:** Ensuring a secure and monitored learning environment.
 - **Van Facility:** Safe and convenient transportation options available for students.
- **Class Schedule:** Regular classes are held **Monday to Saturday, 4:00 PM to 8:00 PM**. During examination periods and specialized preparation phases, the timing is variable and may be extended. **Sunday sessions are dedicated exclusively to comprehensive tests and assessments.**
